

## La Godefrere, a piece of rural France for your peace and tranquillity

**This holiday gite is nestled right on the border of Normandy and the Pays de la Loire, a converted 100 year old farm building which has been renovated to a high standard and offers superb accommodation for up to 6 guests.**

Set in a pretty courtyard at the end of a quiet lane (ideal as a central base for touring) you will find the peace and relaxation you deserve as you enjoy panoramic views over the beautiful surrounding countryside.

There are opportunities for walking, cycling, golf, water and other sports if you feel energetic! Or you can simply watch the varied wildlife around the grounds (including our cats) and enjoy our developing gardens. Alternatively, you can just sit and read while you sip a glass of wine!.

The price for the Gite is from £250 per week up to £375 in the peak summer months. Short breaks are available, please contact us for more information or visit our website.

In the small local towns you will find quality butchers and bakers, as well as cider and calvados straight from the farm. Local street markets sell fresh fruit and vegetables and of course lovely French cheeses.

There are pretty villages, historic medieval and roman towns, castles, chateaux, gardens, museums, cafes and restaurants to choose from, all within easy reach.

The gite is fully equipped for your enjoyment with lounge (TV, DVDs and Wifi), modern kitchen and two airy loft bedrooms (double and twin) with views over the surrounding fields. A sofa converts to a double bed for additional space.

We have a games room with a pool table, dart board, and outdoor games and plenty of space for you to run around in our 5 acres of grounds, making it perfect for children and families.

If you enjoy wildlife we have plenty. Birds, hares, foxes and deer, bats and owls hunting around us, while sheep and cows graze just over the fence and butterflies crowd the garden and hedgerows.

**Why not come and stay, you will love it!**
